

## Nokia 6600 slide manual

Nokia 6600 slide a brand new phone by Nokia. Surprise? Nokia just announced a trio of "Beautiful to use" Nokia mobile phone handsets with Nokia 6600 slide, 6600 fold, and 3600 slide.

The 6600 fold by Nokia is smoothly arc open with the press of a button to reveal a 2.13-inch OLED display shiny sporting 16 million color.

No we are not finished yet the 6600 slider also features tap commands. Make the slide off, a double tap monolithic cover reveals the local time, messages and missed calls. 6600-slider also double tap snoozes alerts and silences or rejects incoming phone calls.

The sexy 6600 slide features the same tap technology but pushed the digital camera up from 2 to 3.2 mega pixels with a 2.2-inch QVGA display based on LCD tech.

## Technical specifications
